## Steven Spurrier's recommendations 2011

Tuesday 27 December 2011 | [Add Comment](#)

Each month in *Decanter* magazine, consultant editor Steven Spurrier lists six top recommendations of bottles worth seeking out. We've collated all this year's issues worth of his recommendations together into one place for you to look through! See all the wines to track down here...

**Domaine de Cébène, Felgaria, Faugères Languedoc-Roussillon, France 2009**  
From vines at the highest point of the Faugères AC, a fascinating blend of 50% Mourvèdre and 25% each of Syrah and Grenache Gris on pure schist soil. Great depth of expression, with a firm, fresh finish.  
Leon Stolarski  
Drink: 2011-2016.  
Alc: 14%
